

# Petition against a Wine & Beer License for Amherst Center Store

## Triangle Street

We, the undersigned, oppose granting a wine & beer license to Amherst Center Store, for health and safety reasons. The Select Board has not addressed and must responsibly consider:

- Increasing access to alcohol in a town with an alcohol problem
- Proximity to a High School, Middle School and the University
- This store is an existing hub of much pre-HS event activity
- Safety of all residents in evening hours in this parking area and all bank ATM's
- If license is issued, the closest source of alcohol to UMass
- Proximity to the West Cemetery as an existing alcohol and drug use hub
- Increase of noise and disturbance in the parking lot, beyond current issues
- Vandalism and illegal trespass into neighborhood backyards
- Traffic violations today which worsen with future roundabout - opposite direction parking in front of store, drop off/pick up for Kendrick Place occupants
